## Acknowledgements

I am thankful to God for the opportunity to work as a full-time martial artist. It's truly a blessing.

I would like to thank my wife, Marlene. Creating this book was her idea.

Gratitude goes out to D2D Photography's William Lavalée for taking all the pictures and to Michael Golden, the man on the other side of the arm bars, chokes, grabs, locks, and holds in those pictures.

We have a great team of martial artists at Plus One Defense Systems. My instructors of past and present surely deserve acknowledgement as well as all the students who train with us. Thank you. Please continue training, and my hope is that you enjoy *Move-A-Day BJJ*.
